TESTIMONIALS

"To all involved in the organisation of London to Brighton 2016 – my sincerest thanks for putting together such an excellent event today. From the moment I signed up, the professionalism, quality of communication, materials, logistics and care, at every stage, has been absolutely outstanding. The lunch especially exceeded my expectations, it added a lot of value to the experience, as did all that awaited us at the finish line. Hats off to you all, well done!" **Hayley Ball, L2B 2016 Rider.**

"Big thanks to everyone involved in organising a fantastic event. Everyone was so helpful and full of optimism! Great lunch and we met some lovely people. I can't wait to do it next year. Awesome challenge!" **Mark, L2B 2016 Rider.**
