KATE (FUNDRAISER),
GREAT ORMOND STREET HOSPITAL CHARITY

‘In 2017, we raised close to 90k through our team of 200 riders, with an average of £450 per head. We received some brilliant feedback from riders about this year’s event and we were really happy to attend and support so many of our brilliant cyclists.’

BRIAN (TRUSTEE)
STRONGBONES CHILDREN’S CHARITABLE TRUST

‘Many thanks to Skyline on behalf of our Strongbones team. Organisation, marshalling and general atmosphere were all ace, plus we certainly appreciated the lunch. Not sure how you organised the sunshine which greeted us at the top of Ditchling Beacon, but it was great and lasted the rest of the afternoon; and a pleasant few beers on the front helped our cooling down strategy!’

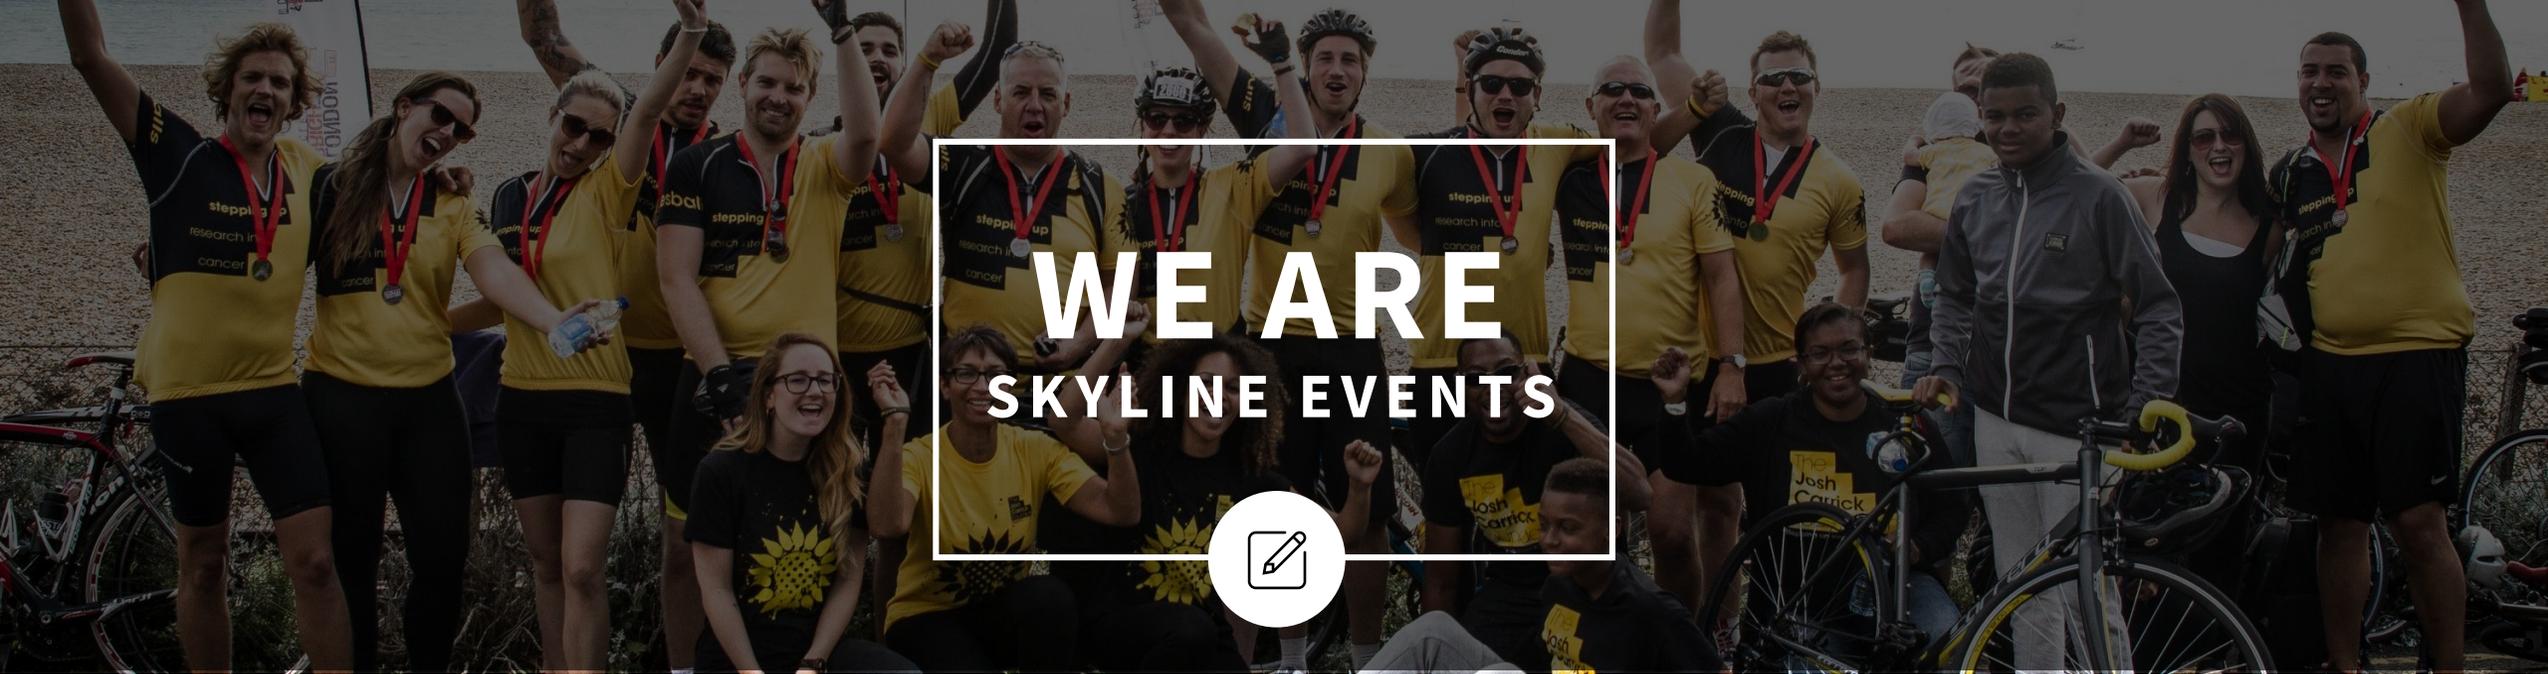

WILL (FUNDRAISER)
ALZHEIMER’S’ SOCIETY

‘London to Brighton is one of our most popular cycle challenges year after year. Accessible to people of all ages and abilities, it’s always a great day!’

LISA (HEAD OF EVENTS)
BRAKE THE ROAD SAFETY CHARITY

‘Brake the road safety charity is thrilled at the success of our London to Brighton Cycle fundraising, with over £20,000 being raised from our cyclists. The atmosphere on the day was excellent, the organisation of Skyline was superb. We look forward to doing it all again in 2018.’
