

Hi @@FirstName@@

We hope you are enjoying the summer and looking forward to London to Brighton, powered by [Pact Coffee](#), which is now next month!

Below you'll find info on how to check your bike is suitable and a link to our wonderful partner **Bikebook** who can help find a local mechanic to ensure your bike is serviced in time for the big day. There are also links to book our transport service post event and parking at the start line.

We know lots of you are eager to receive confirmation of your start time, you'll be pleased to know that an email will be sent next week. We are also preparing to post out the rider packs (will be sent closer to the event). If your address has changed since you booked please ensure you email us with the new details [info@londonbrightoncycle.co.uk](mailto:info@londonbrightoncycle.co.uk).

Don't forget you can check your **Participant Area** at any time for a copy of previous updates that have been sent along with a welcome pack, training plan, fundraising ideas, and more.

Finally the event is very nearly full so if you know anyone still thinking about it, get them to book soon to avoid missing out!

Have a great weekend!

The London to Brighton Team 🏆🌞

### Check your bike is suitable

The route is entirely on-road, so please ensure your bike is suitable for this.

While it is possible to use a mountain bike, they are significantly heavier, which can make the ride more challenging. We recommend using a lightweight road bike or hybrid. It's also advisable to have your bike serviced before the event to ensure it's in good working order - see below for how we can help you arrange this with our partner Bikebook!

Your bike must have independent brakes on both wheels; fixed-wheel bikes are not permitted.

If you are considering using a non-standard type of bike, please refer to the FAQs on our website or email us to confirm whether it can be used in the event.

### Need a way home?

#### 🚗 Getting Home After the Ride 🚲

After crossing the finish line in Brighton, we strongly recommend planning your journey back in advance. In previous years, **Southern Railway has either restricted or completely banned bicycles** on this day, so please don't rely on the train to get you, or your bike, home.

#### 🚌 Need a Lift Back to London?

We offer a **return transport service** that includes both you **and your bike**, taking you from Brighton back to **Clapham Common**. Here's how it works:

**Coaches depart regularly from 11:30am onwards**

No need to choose a specific departure time

**Your bike travels securely** in dedicated bike vans

It will be waiting for you at Clapham Common when you arrive

#### 🍹 Limited Spaces – Book Early!

This service is extremely popular and spaces are limited. Once they're gone, they're gone, so we recommend booking **as soon as possible** to avoid disappointment.

#### 🔗 How to Book:

Please use the **red booking link below**. This link is unique to you and pre-filled with your booking reference.

#### ! Important:

This link is for **your use only**. If you're booking for other riders, please ask them to use their own link, or contact us at [info@londonbrightoncycle.co.uk](mailto:info@londonbrightoncycle.co.uk) for assistance.

[BOOK YOUR TRANSPORT FROM BRIGHTON TO LONDON](#)

### Need parking at the start?

Skip the stress – park just 100m from the start line!

Reserve a convenient space in Clapham and keep your car nearby all day – no hunting for parking.

#### Parking Info:

📍 **Location:** Right by the start line

🕒 **Arrival:** From 05:30 | **Departure:** By 20:00

🚐 No height restrictions – minibuses welcome (email us first if oversized)

💷 **Cost:** £35 per vehicle (one booking per car) the link below has your booking number pre-filled.
